Introduction

The Rapido Website is a Bike Texi website that provides a single platform for all Bike Taxi information. In recent years the Bike Taxi Service is rapidly increasing in the real world, especially in the higher populated city. Due to the people are busy in their proffesions and the Traffic is more in the metro politan city Like Bangalore ,Mumbai ,Delhi, ,Hyderabad and many more populated city all over India. The Bike Taxi service has used more especially by single people when they have to travel alone in the particular city or whenever they have to do some work . So this website is a easily accessible to all the people as it is user friendly This is an essential service for all the people.

Project Modules:

Home Module:

Whenever the user will open the site user must have to click on the Home module to view all the information about the Rapido services

User will get all the information in the Home page and he can get access to it and view all the services provided by the Rapido and also about downloading the apps etc

About Us module:

After the user views the homepage he can click on the About us page to check the services provided and facilities and the champions details of the Rapido company and the types of jobs available in the company will be known here.

Safety module:

This modules contains all the details about the Safety precautions taken by the Rapido company for the Customers and for the Captains and benefits about using rapido.

Careers module:

When the user click on the careers module. He will get the information about all the careers in the rapido and people who are working in the Company and all the information about them and their experiences.

Contact Us module:

After getting all the information about the Rapido the user can Contact through the Contact Us module by sharing their information and details in the given form . The user has to register themselves by entering all

the details like Name, e-mail id password and contact number in correct format to login to Rapido services.

<img src="img/press1.png" class="card-img-top">

Rapido, India's largest bike taxi app, has introduced Rapido Box, a new on-demand delivery service where customers can request pick and drop of food, groceries, and medicines on the app, from or to another customer. The person-to-person (P2P) on-demand delivery service will enable users to exchange food, groceries, or medicines with their family and friends who are not able to step out of their homes for essentials or have run out of certain essential items in times of need. The Rapido app will be the platform of...

Bengaluru-based bike-hailing startup Rapido in its recent Registrar of Companies (RoC) filings has stated that it has acquired Mumbai-based startup Vahanalytics, which is registered as Urbantanz Technologies. The filings stated that the analytics startup has been allocated 55 equity shares worth Rs 49 lakh. Post-acquisition, the Mumbai startup's co-founders Shivalik Sen and Someshwar Dash will be joining Rapido for the next two years. The duo will also receive employee stock ownership plan (ESOPs) valued at Rs 37...

<img src="img/press3.png" class="card-img-top">

Bengaluru-based bike taxi app Rapido has raised a funding of Rs 1.49 crore from investor Karina Choudhrie, according to RoC filings accessed by YourStory. As per the filing, the company issued 167 Series A3 Compulsorily Convertible Preference Shares on July 17 at a premium value of Rs 89,672.82 per share. In April this year, it had raised $11.2 million led by Nexus Venture Partners with participation from Karina Choudhrie Tech Sponsors India, Integrated Capital, and Rapido Holdings LLC. In January, the company received $10 million led...

<img src="img/press4.png" class="card-img-top">

If you are a frequent Rapido user, we might have some good news in store! The Bengaluru-based bike taxi app, which has a fleet of over 60,000 active riders operating across major Indian cities, including Bengaluru, Gurugram, and Delhi, has introduced a brand new feature – called Power Pass – that will make the daily commute much more affordable for its users. The Rapido bikers Essentially a subscription-based program, the Power Pass feature is an option to help Rapido customers save more...

Kanta Chauhan’s life has not been an easy one. Born in the district of Ropar, Punjab, her father passed away when she was young, and it was left to her mother to take care of her and her three siblings. After completing her higher secondary education from a government school, she couldn’t continue further as there was no money in the family. Even after her marriage, Kanta’s struggles did not abate. “My husband met with an accident. He was the only bread-earner of the family, and we had to take so...

HYDERABAD: Looks like the last-mile connectivity firms have changed their regular routes to join the Covid-19 ecosystem. Ride-sharing companies like Rapido partnered with e-commerce businesses for the last mile delivery. This enables easy scheduling of delivery and also helped in maintaining the livelihood of Rapido Captains (drivers) in these tough times. Rapido has 25 percent of its fleet running on the road delivering groceries across India. Mustafa was previously employed with Volvo and runs an IT...

<img src="img/press1.png" class="card-img-top">

Bike taxi service provider Rapido has resumed operations in close to 100 cities as of now, with a special focus on the health and well-being of captains (rider partners) and customers. The company is providing free cancellation if any captain or customer is without a mask. As of now, Rapido has restarted the operations in green and orange zones only. The company is showing containment areas in its app and making sure that the captains and customers do not pass through them. Rapido has made it mandatory for its captains to install the Aarogya Setu app before accepting rides. T...

<img src="img/8.jpg" class="card-img-top">

Road transport and highways minister Nitin Gadkari on Tuesday suggested all state transport ministers to explore making app-based two-wheeler taxis operational, particularly in rural areas to help farming communities with smoother movement during the Covid-19 lockdown. In a video conference with the state and union territories transport ministers, the minister said that “this will also provide new employment opportunities,” according to a statement by the road transport & highways ministry. UberMoto, Ola Bikes, and Alibaba’s BAce Capital-backed...

Rapido, India's largest bike taxi app, has introduced Rapido Box, a new on-demand delivery service where customers can request pick and drop of food, groceries, and medicines on the app, from or to another customer. The person-to-person (P2P) on-demand delivery service will enable users to exchange food, groceries, or medicines with their family and friends who are not able to step out of their homes for essentials or have run out of certain essential items in times of need. The Rapido app will be the platform of...
Bengaluru-based bike-hailing startup Rapido in its recent Registrar of Companies (RoC) filings has stated that it has acquired Mumbai-based startup Vahanalytics, which is registered as Urbantanz Technologies. The filings stated that the analytics startup has been allocated 55 equity shares worth Rs 49 lakh. Post-acquisition, the Mumbai startup's co-founders Shivalik Sen and Someshwar Dash will be joining Rapido for the next two years. The duo will also receive employee stock ownership plan (ESOPs) valued at Rs 37...
Bengaluru-based bike taxi app Rapido has raised a funding of Rs 1.49 crore from investor Karina Choudhrie, according to RoC filings accessed by YourStory. As per the filing, the company issued 167 Series A3 Compulsorily Convertible Preference Shares on July 17 at a premium value of Rs 89,672.82 per share. In April this year, it had raised $11.2 million led by Nexus Venture Partners with participation from Karina Choudhrie Tech Sponsors India, Integrated Capital, and Rapido Holdings LLC. In January, the company received $10 million led...

Tools and Technologies

Requirements:

1.Hardware Requirements :

Processor: Intel Pentium Dual Core.

RAM : 4GB or more.

Hard Disk : 512 GB.

Processor Speed : 2 GHz.

2. Software Requirements :

Front End : Google Chrome, FireFox ,Opera browsers.

Operating System : Windows 7 or more.

3. **Languages** :

HTML5,CSS,Bootstrap.

Conclusion

The Rapido website provides facility to know the information about the Bike Taxi from anywhere. User can get all the details about the Services from this website anytime. The user can register through the website by providing all the required information to contact to the Rapido Captain and to Download the app. One can also contact and can also give feedback about his/her experience and opinions to the Rapido center.

Limitations of the project :

- Connection to the Internet is Needed.
- The user has to register for joining Rapido.
- Internet is required to install and use the App.

Future Enhancement:

We will be able to implement UPI Transactions feature in the application in the future.

We will also include the Drivers details page and the Reviews about the Drivers

Progressive enhancement for strong foundations so that its accessible to the wide range of browsing situations.
